Present: Julie, Candace, Doni, Naomi and Barb.

Absent: John, Linda C., Linda L., Darcy

Meeting Commenced at 7:04 p.m.

Minutes from October Accepted.

Jack and the Beanstalk - With Darcy absent we missed a detailed report, however, Barb reported that things seem to be going along smoothly.

Publicity - Posters for Jack and the Beanstalk will be out by November 7th and distributed through out the community. The tickets have been printed and are ready to go.

Education - Doni will be in contact with the Elementary School Principal in the near future about work with the Elementary students. A discussion was held about the idea of hosting a Short Play Festival in late Spring, Early Summer. Ideas discussed were as follows:

- Friday - held at the Legion - 5 or 6 plays. Saturday - held at the H.B.I - 3 plays. Sunday - held at the Community Centre - Sunday would be child orientated.
- First publicity out by the end of the year, very important to get the word out.
- Call will be put out to the community for locally written material.
- Possible dates - June 12, 13, 14th - find out what else is on.
- We need to come up with the name for the Festival

Play Selection - The recent play readings and call submissions were not well attended we only one locally written play being submitted by Chris Thompson. However, the process we followed worked well. Chris's play BananaFish was selected for the 2015 Spring play.

There is interest in holding regular play readings on a regular basis - especially full length plays.

Membership - Under 18 years old - Membership is free.

Christmas Party to be held at the Legion with a bartender - Potluck. All members are welcome, plus one. We have tentatively picked December 28th, Julie will check with the Legion if this date is free. There will be a \$5 - \$10 gift exchange. Come dressed as you Favorite Holiday Thing!

New Business - The idea of having a club librarian e.g. a play keeper. was floated.

Next Meeting Monday, December 8th @ 7 p.m.

Barb to provide snacks.

Meeting Adjourned @ 7:50 p.m.
