Spring into Fall!

Plant the seed of a script this spring...
for a dramatic bounty next fall!

Pick the perfect play (*it could be your own, or it could be well known*), then pitch your pants off!
All it takes are a couple of passionate paragraphs:

- 🎭 What's the play about? (A summary will suffice.)
- 🎭 Who's dying to direct it? (You'll need a leader.)
- 🎭 What cast is called for? (The more, the merrier.)
- 🎭 What drives you to do it? (Fame? Fortune? Fun?)
- 🎭 Why will Quadra love it?! (Entertaining for all!)

Let's plant a play this spring ... and dig the drama next fall!

Quadra community theatre is counting on you!
